

Car inverter

3G life new power

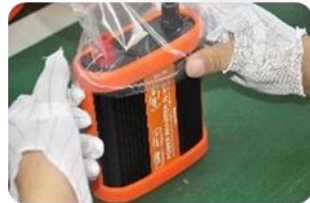

specifications :

project	300W	500W
rated input	DC12V	DC12V
low voltage alarm	DC10.5±0.3V	DC10.5±0.3V
low voltage range	DC9.5±0.5V	DC9.5±0.5V
high power protect	DC15.5±0.3V	DC15.5±0.3V
transfer efficiency	> 92%	> 92%
rated power	300W	500W
surge power	600W	1000W
overload protection	>120%	>120%
output voltage	220 V	220 V
voltage wave form	modified sine wave	modified sine wave
frequency output	50Hz	50Hz
status display	LED light	LED light
trouble warning	buzzer	buzzer
product size	46×115×158mm	46×115×176mm

Car inverter

- Components
- Fittings
- Perfect package
- Widespread use

components /fittings /perfect package/widespread use

- **Socket**

- USB interface

- Fan

- Protective cover

components /fittings /perfect package/widespread use

- Socket

- **USB interface**

- Fan

- Protective cover

- Double USB
- 5V/2A output
- Charge fastly
- High efficiency

components /fittings /perfect package/widespread use

- Socket

- USB interface

- Fan

- Protective cover

- Intelligent
- variable speed
- Low Consumption
- low noise

components /fittings /perfect package/widespread use

- Socket

- USB interface

- Fan

- **Protective cover**

- soft silicone
- wear-resisting
- prefect protection
- excellent hand feeling

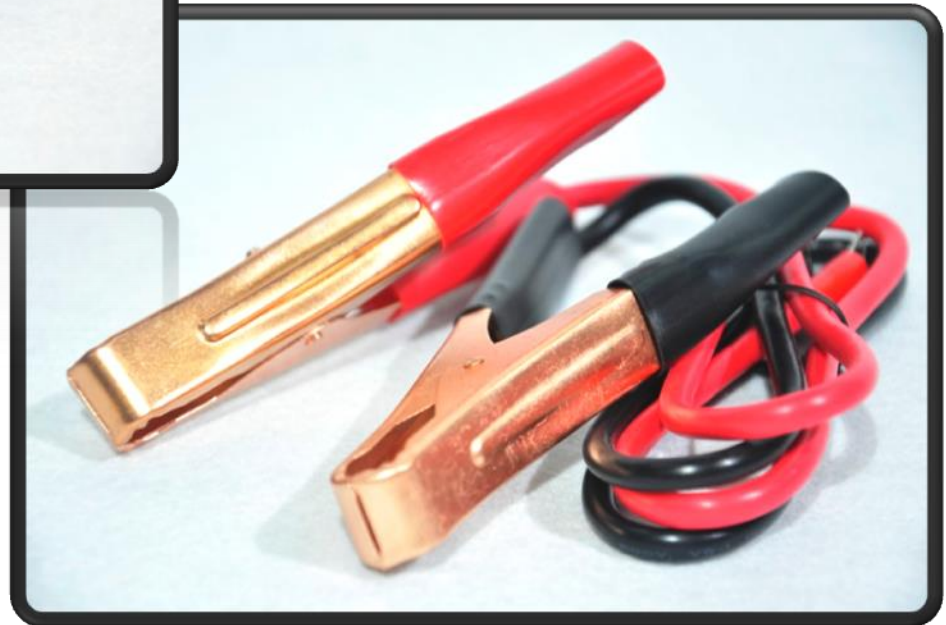

components / **fittings** / perfect package / widespread use

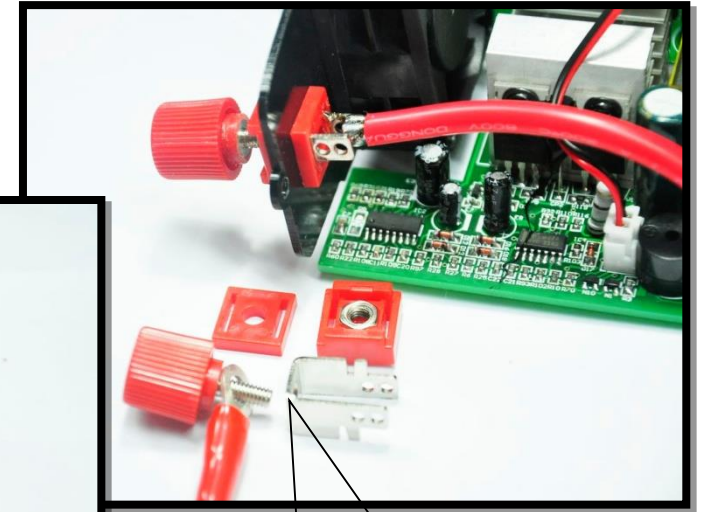

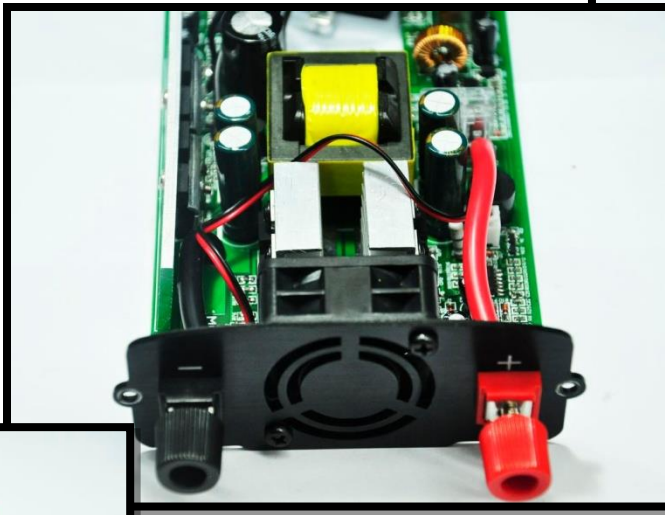

• Full power use

• Vehicle-mounted use

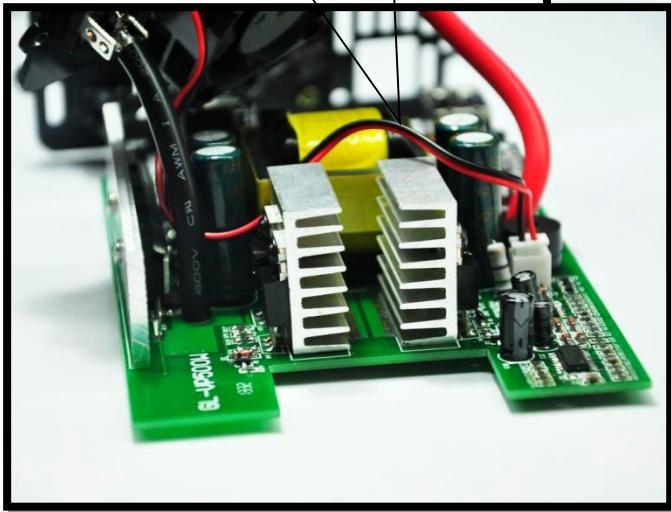

components / **fittings** / perfect package / widespread use

Built-in cooling fan
Sound layout

special structure
Firm connection

components /fittings / **perfect package** /widespread use

- Vacuum package
- Moistureproof
- Waterproof

- 700G Coated paper
- Upmarket package

components /fittings /perfect package / **widespread use**

• **Mobile phone**

• **MP3/MP4**

• **Digital Single**

• **DV/Notebook**

• **Ipad**
